Formatelemente

A dark, moody photograph of a laptop. A hand is visible on the right side, typing on the keyboard. The laptop screen is open and shows some text, but it is out of focus. The overall lighting is low, creating a professional and focused atmosphere. The text 'Formatelemente' is centered in a white, sans-serif font.

Codebeispiele

helloworld.c

```
1 #include <stdio.h>
2
3 int main(void)
4 {
5     printf("hello, \uworld\n");
6 }
```

helloworld.java

```
1 class HelloWorldApp {  
2     public static void main(String[] args) {  
3         System.out.println("Hello_World!"); // Prints the  
           string to the console.  
4     }  
5 }
```

helloworld.go

```
1 package main
2
3 import "fmt"
4
5 func main() {
6     fmt.Println("Hello, World")
7 }
```

Python

helloworld.py

```
1 print("Hello_World")
```

Bash

helloworld.sh

```
1 #!/bin/bash
2 STR="Hello_World!"
3 echo $STR
```
